Dear Sir,  
We thought you might  
enjoy this book. We are still  
trying to find volume 1 for you.  
This coming May I will be going  
over to see family and [redacted]  
father and will make the effort  
then to locate the first volume.  
We hope you find some spare  
moments to relax with it.

Sincerely.

Dear

STAT

A note to let you know how useful and stimulating I found the exchange at our recent dinner at the Metropolitan Club.

Industry's views and assessments of the overall global picture are very important inputs which hitherto have not been sufficiently aired.

I therefore appreciated the opportunity to hear those views. Thank you for taking the time from your busy schedule to join me.

Yours,

STANSFIELD TURNER
